4. CATEGORIES OF SPECIAL EDUCATIONAL NEEDS CATERED FOR IN THE SCHOOL

Enrolment of Children with Special Needs

Our Lady of Lourdes National School endeavours to be an inclusive school, where equality of access is valued and where pupils are encouraged to participate to the full extent of their abilities. In relation to applications for the enrolment of children with special needs the Board of Management will request a copy of the child's medical and/or psychological report or where such report is not available, will request that the child be assessed immediately. The purpose of the assessment report is to assist the school in establishing the educational and training needs of the child relevant to her/his disability or special needs and to profile the support services required.

Following the receipt of the report, the Board will assess how the school can meet the needs specified in the report. Where the Board deems that further resources are required, it will, prior to commencement date, request that the Department of Education and Science provide the resources required to meet the needs of the child as outlined in the psychological/medical report.

These resources may include for example, access to or the provision of any or a combination of the following:
